A Certified Power Business

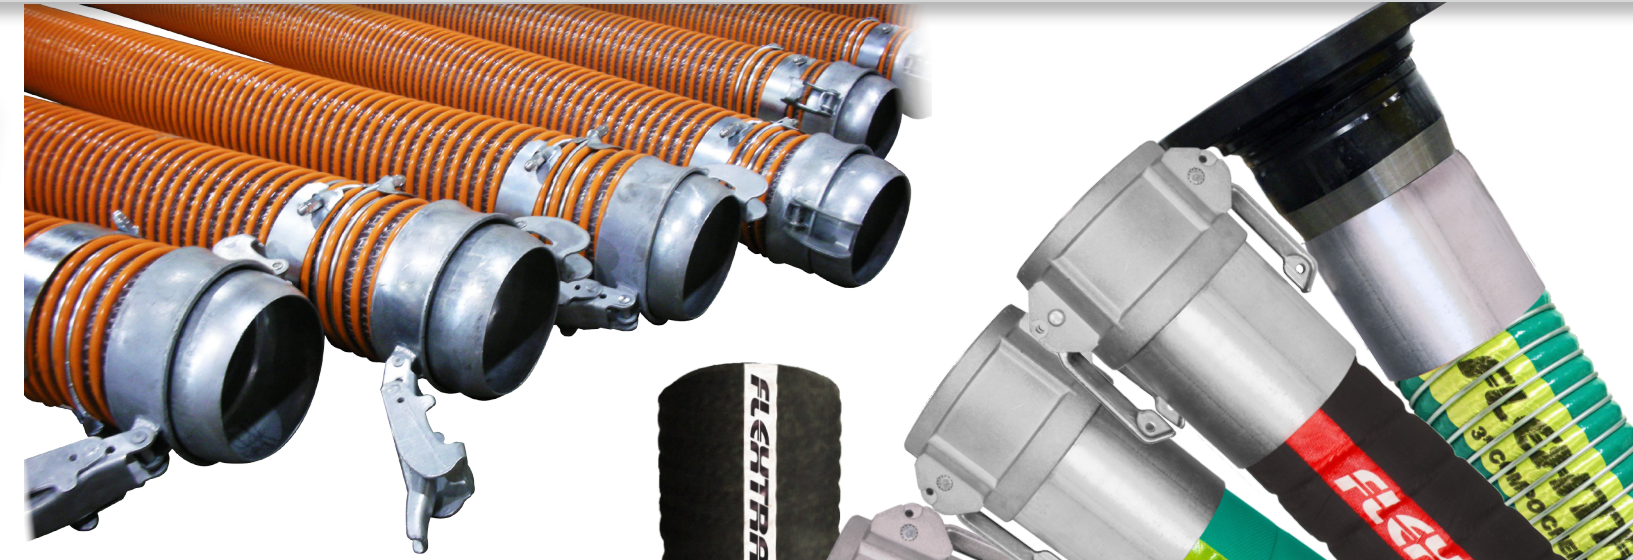

HYDRAULIC & INDUSTRIAL HOSE PRODUCTS

HYDRAULIC & INDUSTRIAL HOSE PRODUCTS

Certified Power Solutions has been servicing the OEM and End-User Fluid Power markets for over 35 years with industry leading products and engineered solutions. We are proud to announce that we are now offering a full diversified line of SAE and metric hose and fitting products. Our extensive network ensures product availability and efficient delivery with short lead times. We offer the Bridgestone Flextral crimping system, engineered for safety, durability and ease of operation, which covers all aspects of the hose assembly process.

BULK HOSE • HOSE ASSEMBLIES • CRIMPING EQUIPMENT • FITTINGS • COUNTER SERVICE • HYDRAULIC & INDUSTRIAL HOSE REPAIR
