

**Certified Power Solutions™**

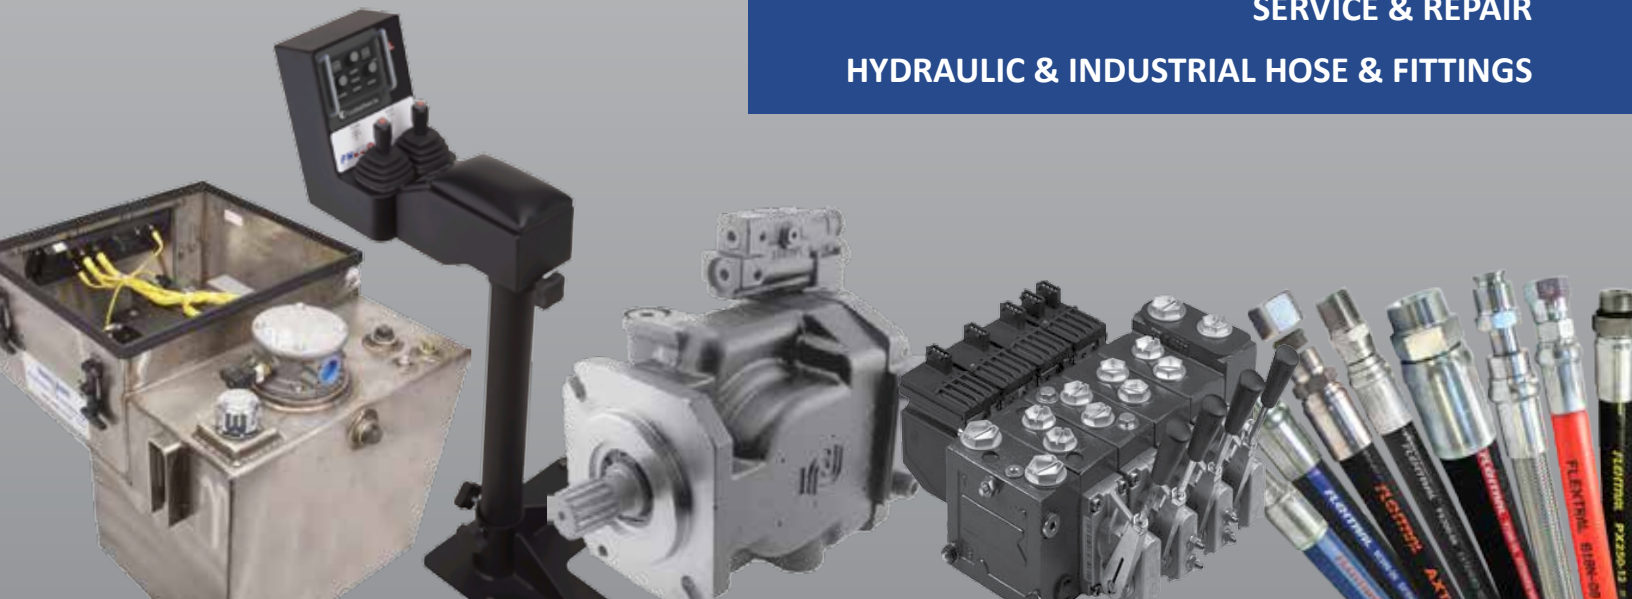

**A Certified Power Business**

# PRODUCT LINE CARD

A Product Line Guide Showcasing CPS as the Innovative Leader in the Distribution, Manufacturing and Assembly of Hydraulic & Electronic Systems and Components

[www.certifiedpowersolutions.com](http://www.certifiedpowersolutions.com)

HYDRAULICS & PNEUMATICS  
ELECTRONIC CONTROLS & SYSTEMS  
INDUSTRIAL & MOBILE POWER UNITS  
MECHANICAL DRIVES & DRIVELINE PRODUCTS  
FILTRATION & LUBRICATION  
SERVICE & REPAIR  
HYDRAULIC & INDUSTRIAL HOSE & FITTINGS

# CPS proudly represents these fine vendor partners

## A

### Air Power Systems (APSCO)

Pneumatic air controls, cylinders and air shift kits  
[www.apscopower.com](http://www.apscopower.com)

### Airway

Hydraulic hose and fittings, steel, brass, and stainless steel  
[www.air-way.com](http://www.air-way.com)

### Alpha Technologies (AIGNEP)

Pneumatic fittings and accessories  
[www.aignep.com](http://www.aignep.com)

### American Industrial

High efficiency heat exchangers, coolers and radiators, air-cooled and water-cooled.  
[www.aihti.com](http://www.aihti.com)

### American Mobile Power

Steel, aluminum and stainless steel Hydraulic reservoirs and Enclosures  
[www.americanmobilepower.com](http://www.americanmobilepower.com)

### Anchor Fluid Power

SAE hydraulic flanges for tube and pipe connections rated to 6,000 psi. Approved purification temperature and level sensors, flow control, needle & check valves - air & hydraulic. Pneumatic and hydraulic flow controls, needle and check valves.  
[www.anchorfluidpower.com](http://www.anchorfluidpower.com)

### ASP/MiniBooster

Oil to oil intensifiers  
[www.airsyspro.com](http://www.airsyspro.com)

### Auburn Gear

Auburn Gear is a full line manufacturer of a wide range of gear products, including planetary gear drive systems. With their comprehensive line, coupled with the highest standards in design, testing and product development, Auburn Gear is the market leader in planetary gear drives for even the toughest of applications.  
[www.auburngear.com](http://www.auburngear.com)

## B

### Bijur Lubricating

Industrial lubrication systems - oil, grease, and spray mist  
[www.bijurdelimon.com](http://www.bijurdelimon.com)

### Bondioli & Pavesi

Power transmission specialists including hydrostats, pumps, motors, valves and gear boxes  
[www.usa.bondioli-pavesi.com](http://www.usa.bondioli-pavesi.com)

### Brand Hydraulics

In-line pressure and flow control valves. Monoblock and stackable directional valves. Hydraulic hand pumps.  
[www.brand-hyd.com](http://www.brand-hyd.com)

### BVA Hydraulics

Cylinders, air pumps, hand pumps, jacks, combination sets and accessories  
[www.bvahydraulics.com](http://www.bvahydraulics.com)

## C

### Certified Power Solutions

Wet Line Kits, Hydraulic Oil Reservoirs, Enclosures and accessories. Air and cable in-cab control systems.  
[www.certifiedpowersolutions.com](http://www.certifiedpowersolutions.com)

### CKD

Full line of pneumatic products, including in-line valves, valve banks, FRL's, pneumatic controls and cylinders  
[www.ckdusa.com](http://www.ckdusa.com)

### Comatrol

Cartridge valve line consists of solenoid, proportional, mechanical and Cetop valves. Pre-Engineered solutions with Catalog HIC's including cross port reliefs, Dual Counterbalance, Motor Mount and Fan Drive HIC's available.  
[www.comatrol.com](http://www.comatrol.com)

### Continental Hydraulics/Polypac

Variable volume pumps, 4-70 gpm, piston pumps to 4000 psi directional, electro-proportional, pressure and flow control valves. Standard and custom hydraulic power units  
[www.continentalhydraulics.com](http://www.continentalhydraulics.com)

### Cross Manufacturing

Pressure, flow control and directional control valves. Hydraulic gear pumps and motors. Tiered and welded cylinders. Accumulators.  
[www.crossmfg.com](http://www.crossmfg.com)

### CW Mill Equipment Co., Inc.

Complete clutch pump engine-mounting kits for light and medium duty trucks  
[www.cwmill.com](http://www.cwmill.com)

# CPS proudly represents these fine vendor partners

## D

*Dakota Micro, Inc.*

### Dakota Micro (Eye DOT)

“Eye DOT” and Overview camera systems, rugged and built specifically for the mobile market. Options include various monitors, split screens, camera lens viewing angle options, mounting hardware and wireless systems.

[www.dakotamicro.com](http://www.dakotamicro.com)

### Daman Products

Standard and custom hydraulic valve manifolds and sub plates

[www.daman.com](http://www.daman.com)

### Dana/Spicer

Driveline parts and systems: U-joints, yokes, drive shafts, assemblies, PTO shafts, axle parts and heavy duty transfer cases

[www.spicerparts.com](http://www.spicerparts.com)

### Danfoss

The Danfoss family of products includes piston pumps and motors, including hydrostats, orbital motors, mobile stack and cartridge valves, mobile electronics, steering components and gear pumps and motors.

[www.danfoss.com](http://www.danfoss.com)

### Delta Power

Gear pumps, 0.5-34 gpm gear motors, cartridge valves, manifolds and power units

[www.delta-power.com](http://www.delta-power.com)

### Deltrol Fluid Products

Cartridge valve, hydraulic and pneumatic flow controls and quick exhaust valves

[www.deltrofluid.com](http://www.deltrofluid.com)

### Driveline Products

Certified Power Custom Driveline and Drivetrain Components. Dana/Spicer stocking SPO250 series and smaller drive shafts, yokes and universals.

[www.cpipowertrain.com](http://www.cpipowertrain.com)

## E

### Energy Manufacturing Company

Tie-rod and welded cylinders. Custom cylinder designs. “Smart” cylinder positioning technology. Manual directional valves.

[www.energymfg.com](http://www.energymfg.com)

### EPEC

Intelligent control systems and information systems for mobile machines using CANopen and PLCopen to form a solid base to offer flexible and easily scalable solutions

[www.epec.fi](http://www.epec.fi)

## F

### Flextral

Hydraulic and Industrial hose and fittings, hose assemblies, quick disconnects and adapters for all applications

[www.flextral.com](http://www.flextral.com)

### FPC Filtration Products

Hydraulic in-tank and spin-on filters, sump strainers and accessories

[www.filtrationproducts.com](http://www.filtrationproducts.com)

### FulFlo Specialties

1/4” to 4” hydraulic by-pass relief valves

[www.fulflo.com](http://www.fulflo.com)

### Funk Manufacturing

Pump pullers, guides, swing vises

[www.deere.com/en\\_US/industry/engines\\_and\\_drivetrain/engines\\_and\\_drivetrain.page](http://www.deere.com/en_US/industry/engines_and_drivetrain/engines_and_drivetrain.page)

## G

### Garrison Manufacturing

Stacker systems consisting of steering valves and cylinders for the oil industry

[www.garrisonmfg.com](http://www.garrisonmfg.com)

## H

### Hayden

Heat exchangers – air cooled, water cooled

[www.haydenindustrial.com](http://www.haydenindustrial.com)

### Hayes Manufacturing

Couplings, pump drives, bearing supports, pump/motor adapters

[www.hayescouplings.com](http://www.hayescouplings.com)

### Hedland

Full line of electronic and mechanical flow meters

[www.badgermeter.com](http://www.badgermeter.com)

### Hetronic

Radio remote controls from the small hand held digital units to fully proportional joystick radio controls

[www.hetronic.com](http://www.hetronic.com)

# CPS proudly represents these fine vendor partners

## High Pressure Equipment

Premium manufacturer of high-pressure valves, fittings, tubing and intensifiers

[www.highpressure.com](http://www.highpressure.com)

## Horton

Air brakes and clutches

[www.catalog.horton.com](http://www.catalog.horton.com)

## Hub City

Worm gear, bevel, parallel shaft and in-line speed reducers and gearboxes

[www.hubcityinc.com](http://www.hubcityinc.com)

## HydraForce

High performance cartridge valves and manifold systems, mobile electronics

[www.hydraforce.com](http://www.hydraforce.com)

## Hydraulics Inc.

Quick couplings and hydraulic swivels

[www.hydraulicsinc.com](http://www.hydraulicsinc.com)

## K

### Kobelt

Disk brake systems and components for mining, oil and gas industries

[www.kobelt.com](http://www.kobelt.com)

### KTI Hydraulics

DC hydraulic power units

[www.ktihydraulicsinc.com](http://www.ktihydraulicsinc.com)

## L

### Lake Monitors

Flow meters - air, hydraulic, and water

[www.lakemonitors.com](http://www.lakemonitors.com)

### LDI Industries (Vescor)

Reservoirs and reservoir accessories

[www.ldi-industries.com](http://www.ldi-industries.com)

### Lenz

Pressure and vacuum gauges, filters, breathers and tank accessories

[www.lenzinc.com](http://www.lenzinc.com)

## M

### Midwest Truck and Auto Parts

Heavy Duty Truck and Auto Parts

[www.midwesttruck.com](http://www.midwesttruck.com)

### Motive Gear

Ring & pinion gears - transfer case transmission parts

[www.motivegear.com](http://www.motivegear.com)

### M&W Manufacturing

Custom hydraulic manifolds, built to your exact specifications. Steel, aluminum and ductile iron

[www.mandwmfg.com](http://www.mandwmfg.com)

## N

### Nason

Pressure, temperature, vacuum and differential switches

[www.nasonptc.com](http://www.nasonptc.com)

### Neapco

Agricultural and domestic driveline parts, U-joints, yokes and driveline tubing & end yokes

[www.neapco.com](http://www.neapco.com)

### Northman Fluid Power

Hydraulic solenoid valves, sandwich valves, control valves, and vane pumps

[www.northmanfp.com](http://www.northmanfp.com)

### Noshok

Mechanical and Electrical Pressure, Temperature and Force Measurement Instruments.

[www.noshok.com](http://www.noshok.com)

## O

### Ogura Industrial

Electric clutches for industrial and mobile applications. 12 and 24 volt designs available

[www.ogura-clutch.com](http://www.ogura-clutch.com)

## P

### Pamark Manifolds

Extruded aluminum manifolds

[www.pamarkmanifolds.com](http://www.pamarkmanifolds.com)

### Parker (Chelsea)

Commercial & Gresen valves, Chelsea PTO's, pumps, and motors

[www.parker.com](http://www.parker.com)

# CPS proudly represents these fine vendor partners

## Parker (Commercial/Tyrone)

Gear pumps and motors, flow dividers, directional control valves, telescopic cylinders, motors, pumps, valves, cylinders and accessories

[www.parker.com](http://www.parker.com)

## Parker (Gresen)

Hydraulic directional control valves, flow controls, counter balance, sequence, relief valves, geroter pumps and motors, and accessories

[www.parker.com](http://www.parker.com)

## Parker/Nichols/Ross/Bruning

Low speed, high torque Ross Torqlink and Nichols motors, wheel motors, check valves and quick disconnects

[www.parker.com](http://www.parker.com)

## Parker Truck Components

Piston pumps, valves, telescopic cylinders, filters, and accessories

[www.phtruck.com](http://www.phtruck.com)

## Permco

Cast iron gear pumps and motors

[www.permco.com](http://www.permco.com)

## Pitts Industries (Hilite Intl.)

Electric clutches

[www.pittsindustries.com](http://www.pittsindustries.com)

## Prince Manufacturing

Low speed, high torque hydraulic motors. Tie-rod and welded mobile cylinders. Pressure and flow and directional control valves. Hydraulic gear pumps.

[www.princehyd.com](http://www.princehyd.com)

## Quadrastat

Mechanical joystick cable operators, remote valve hook-up kits, and transmission shift controls to top cable products

[www.push-pull.com/products/quadrastat](http://www.push-pull.com/products/quadrastat)

## Rectus

Quick disconnect couplings

[www.rectus.de](http://www.rectus.de)

## Rego/Cryoflow

Flow controls, needle and check valves, pneumatic and hydraulic

[www.regoproducts.com/cryo](http://www.regoproducts.com/cryo)

## Reuland Electric

Pump/motor flexible couplings and mounting brackets

[www.reuland.com](http://www.reuland.com)

## Rockford Drive Line

Double cardan and domestic driveline parts, driveline assemblies

[www.rockforddriveline.com](http://www.rockforddriveline.com)

## Rockwell/Meritor

Driveline parts, U-joints, yokes, and components

[www.meritor.com](http://www.meritor.com)

## Ross Controls

Control reliable safety valves and lock out valves. Pneumatic valves, in-line base mounted, ISO mounted. FRL's.

[www.rosscontrols.com](http://www.rosscontrols.com)

## SafeWay Hydraulics

Hydraulic quick-disconnects, caps and plugs

[www.safewayhyd.com](http://www.safewayhyd.com)

## SAI Hydraulics

Low speed, high torque, radial piston motors, planetary speed reducers, wheel drives

[www.saihyd.com](http://www.saihyd.com)

## Schroeder Industries

Full line of hydraulic high, medium, and low pressure filters. Filtration systems, large capacity process water filtration, diagnostic equipment and accessories

[www.schroederindustries.com](http://www.schroederindustries.com)

## Sheffer Cylinders

Hydraulic, pneumatic, electronic positioning cylinders and custom cylinders. High-performance, high-quality cylinders for every application. Competitive replacements.

[www.sheffercorp.com](http://www.sheffercorp.com)

## SPX Hydraulic Technologies (Stone)

Compact AC and DC hydraulic power units for industrial and mobile applications

[www.spx.com](http://www.spx.com)

# CPS proudly represents these fine vendor partners

## Stauff

Clamps, ball valves, filtration and hydraulic accessories

[www.stauffusa.com](http://www.stauffusa.com)

## StormGuard

Snow and Ice product lines from Certified Power, including electronic controls, hydraulic systems, liquid systems for anti-ice and pre-wet, spreader controls and vehicle tracking systems

[www.certifiedpower.com/cps/stormguard](http://www.certifiedpower.com/cps/stormguard)

## Stucchi

Quick Couplers

[www.stucchiusa.com](http://www.stucchiusa.com)

## Sun Hydraulics

Cartridge valve technology including flow, pressure load holding, directional, logic and solenoid electrical designs. Custom manifolds solutions for mobile and industrial applications.

[www.sunhydraulics.com](http://www.sunhydraulics.com)

## Super Swivels

High pressure and flow rotary fittings

[www.superswivels.com](http://www.superswivels.com)

## T

## Thermal Dynamics

Heat exchangers air to oil and water to oil designs.

[www.thermaldynamics.com](http://www.thermaldynamics.com)

## Thermal Transfer Products

Heat exchangers air to oil and water to oil designs.

[www.thermasys.com/thermal-transfer-products-site](http://www.thermasys.com/thermal-transfer-products-site)

## Tobul Accumulators

Piston type - 5 cu. in to 1 gallon. Bladder accumulators - 60 cu. in. to 15 gallons.

[www.tobul.com](http://www.tobul.com)

## Turola

Manufacturer of cast iron and aluminum gear pumps, including fan drive systems and "Quiet Technology" pumps.

[www.turolaocg.com](http://www.turolaocg.com)

## W

## Warner

Electric clutches. 12 and 24 volt DC designs.

[www.warnerelectric.com](http://www.warnerelectric.com)

## Weasler

Agricultural driveline parts

[www.weasler.com](http://www.weasler.com)

## Wescon Cables and Controls

Certified Power is an authorized factory push/pull, brake, throttle and accelerator cable assembler. Mechanical controls and screw machine components.

[www.wesconproducts.com](http://www.wesconproducts.com)

## White Drive Products

Low speed, high torque hydraulic geroller motors, flow dividers and brakes

[www.whitedriveproducts.com](http://www.whitedriveproducts.com)

## WIKA Instrument

Pressure gauges, temperature gauges, pressure transducers, pressure switches and transmitters.

[www.wika.us/home\\_en\\_us.WIKA](http://www.wika.us/home_en_us.WIKA)

## Williams Controls

Pneumatic Controls

[www.cw-industrialgroup.com/About/Williams-Controls.aspx?Redirect=](http://www.cw-industrialgroup.com/About/Williams-Controls.aspx?Redirect=)

## Williams Machine & Tool

Hydraulic pumps, valves and power units

[www.energymfg.com/williams-manufacturing](http://www.energymfg.com/williams-manufacturing)

## Y

## Yuken

Hydraulic pressure, flow, directional and proportional control valves. Vane and piston pumps.

[www.yuken-usa.com](http://www.yuken-usa.com)

## Z

## Zinga Industries

Filtration components. Hydraulic return suction and pressure applications. Piston pumps.

[www.zinga.com](http://www.zinga.com)

# ENGINEERING & CAPABILITIES

Our market capabilities are a direct reflection of our leading edge engineers. Access to the best electronic control engineering and design capabilities in the market, experience in both industrial and mobile fluid power systems, custom power unit design & construction, and best in class service and repair capabilities are all at your fingertips when you choose Certified Power Solutions.

Factory Authorized Danfoss Service & Repair Center

## CORPORATE HEADQUARTERS

Certified Power Solutions | 970 Campus Drive, Mundelein, IL 60060  
office: (847) 573-3800 | fax: (847) 573-3832 | email: [cpi\\_il@certifiedpower.com](mailto:cpi_il@certifiedpower.com)
